

COMMUNITY THROUGH FOOD

13390 SW MORGAN ROAD  
SHERWOOD  
ORE.—USA 97140  
WWW.OURTABLE.US  
(503) 217-4304

OPEN SATURDAYS & SUNDAYS FROM 8AM to 1PM

We hope to be open through the month of July but this can vary due to weather and conditions in the field. Updated information will be posted on our website at [www.ourtable.us](http://www.ourtable.us) and on our [Twitter feed](#) and [Facebook page](#).

### IMPORTANT DETAILS

**ADDRESS:** 13390 SW Morgan Road, Sherwood OR 97140 (see map on reverse)

**PARKING:** Parking is all along the entire length of the gravel driveway to your right as you enter the farm (in front of the Christmas trees). Please note that the Christmas trees are not part of our farm so please do not walk through them. You'll need to walk about 1,000 feet to get to the fields. Unfortunately, our fields are not wheelchair accessible.

**WHAT TO WEAR:** The fields can get hot so please wear appropriate clothing, bring hats & sunscreen if you need it. Long pants and sleeves are a wiser option than shorts and tank-tops. Sensible shoes are a must!

#### WHAT TO BRING

- DRINKING WATER
- Containers to take your berries home
- A cooler and ice to keep your harvest chilled if you plan to spend a lot of time out and about after picking
- Lots of energy and a willingness to have fun and pick/eat lots of blueberries!

#### WHAT NOT TO BRING

- **Pets:** our farm has livestock and we cannot allow your pets to be on the farm. You're welcome to leave them in your vehicle if needed but please be aware that we have no shaded parking spots

#### KIDS

We adore kids and would love to have berry picking at Our Table be a part of their food and farm experience! Many of us have read the popular children's book "Blueberries for Sal" for our kids dozens of times and we encourage your children to eat more berries than they pick. In fact, if a child under 3 feet in height picks more than they eat, there's something wrong!

However, please pay close attention to your children as there are many dangers on a working farm. It has been our experience that little kids don't tend to enjoy blueberry picking as much as most of us parents think they do (or should)! If young children lose interest far sooner than expected, this is where pre-harvested berries at our stand come in handy. Some things to note:

- We do not have any food available (other than blueberries)
- The only available bathrooms are port-a-potties (it's not exactly the Ritz Carlton!)
- There is no place for the kids to run around unaccompanied by an adult
- We have livestock and electric fencing on the farm -- being "zapped" by an electric fence is a very unpleasant and dangerous experience and not recommended for humans or cows
- We will have a limited amount of pre-harvested berries available for purchase in case your visit is cut short by unexpected circumstances!
- There is an active construction site on the farm adjacent to the blueberry fields -- please ensure that your children stay well away from this site.

We hope you will join us and we look forward to hosting you at our farm!
